

When the **Rotary Club of Seaford** was chartered in 2016, it ushered in a more contemporary style of Rotary for today's busy and diverse volunteer landscape. Our club has been recognised internationally as an example of innovation and vibrancy, with a simple attribute that sets it apart from most traditional Rotary clubs. *We are not obsessed with meetings*; we are instead focussed on hands-on service. We recognise that today's community conscious volunteers don't have a lot of spare time, so we feel it is important to respect our members by using their precious time effectively and productively; being visible and active in our community to bring about genuine impact.

We have only two informal, friendly meetings per month where we plan coming events and give our members the opportunity to raise community concerns. By only meeting twice a month we are able to commit more effort to actively serving our community. Venues are rotated and meals are not compulsory.

In our short history we have a long list of achievements. Our list of projects, events and beneficiaries include:

- Seaford Rotary Seaside Walk supporting Suicide Prevention
- [www.connectonkaparinga.net](http://www.connectonkaparinga.net) Mental Health Directory
- Bat Box Manufacturing for Sustainable Insect Control in Wineries
- Rotary's Global Polio Eradication Initiative
- Outstanding Portfolio of Youth Development Programs
- Rainwater Tanks providing Potable Water for Families in Bali
- Building a Medical Clinic in Mbale, Uganda
- Business Breakfast Networking Events
- Supporting Local Charities inc. Breakfastbellies and Coolock House
- Seaford Community Garden & Wetlands Cleanup

# Rotary Club of Seaford

*Ordinary people doing extraordinary things.*

# Rotarians are ordinary people doing extraordinary work.

## What do we do?

Rotary is a global network of 1.2 million inspired individuals who translate their passions into relevant social causes to change lives in communities.

Founded in Chicago in 1905, Rotary is the world's oldest and largest service club.

Our motto is  
"Service Above Self".

## Who can be a Rotarian?

Our diversity is our strength. It doesn't matter if you're a student, a professional, a stay at home parent, a teacher, a doctor, a tradie or a farmer. We need young and old, retailers, gardeners, athletes, social workers, artists, grandparents and retirees too.

If you have something you care about, and want to make a difference in your community, **we need you!**

## But I'm just so busy...

Australia has around 24,000 Rotarians, and they are all busy people. Most have demanding jobs, a hectic family life, bills to pay, lawns to mow, dishes to wash, gutters to clean and dogs to walk.

But they still make time to meet regularly and make a difference. Commitment doesn't have to interfere with a busy life.
